

Metal & Plastic Furniture Accessories

Baleko is a company that guides customers in the discovery of quality and accurate products with its professional team. Its foundation is based on many years of export experience.

Our company is a professional export company that exports many raw materials used in soft furniture, base and mattress manufacturing.

Our main products are;

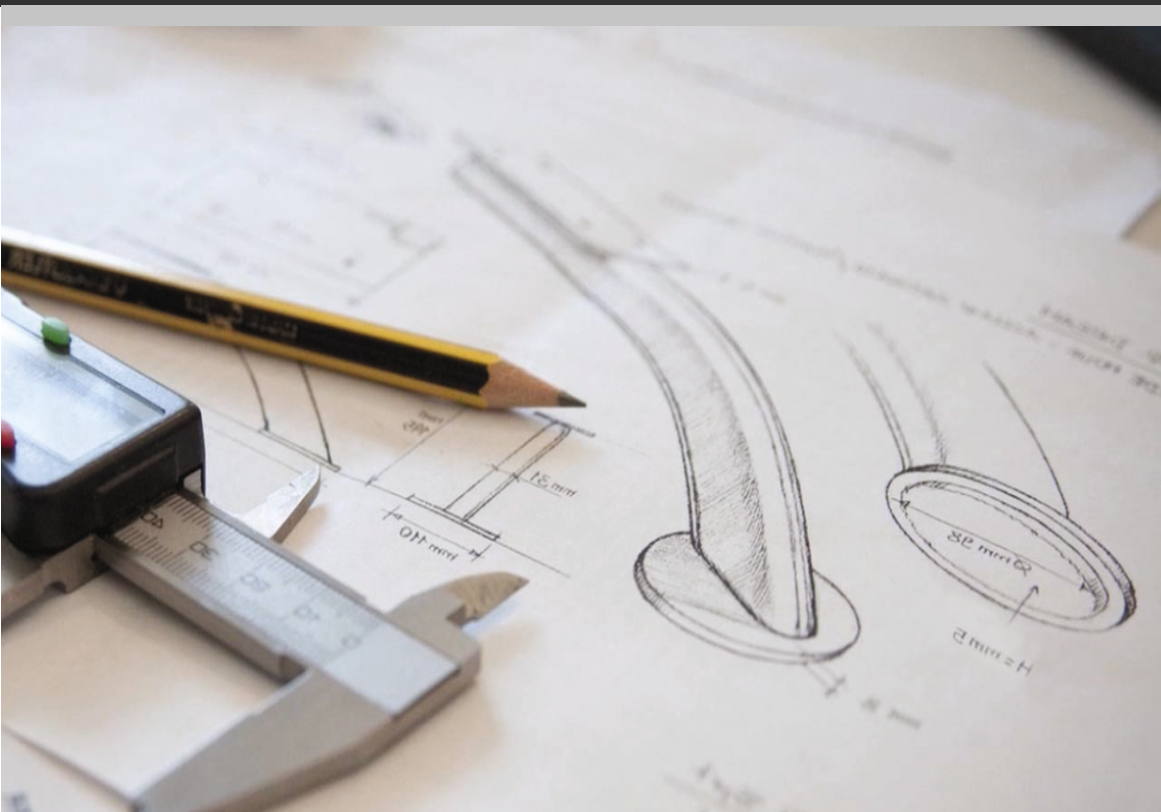

- * Mechanisms*
- * Gas Springs*
- * Plastic and Metal Legs*
- * Mattress Fabrics*
- * Upholstery Fabrics*
- * Embroidered and Quilting Fabrics*
- * Types of Quilting Yarn Used in Upholstery*

Baleko Export Company is a reliable foreign trade company which today exports to more than 25 countries and has managed to make all of its customers satisfied. It's a top company in Kayseri and Turkey is active in the production of soft furniture, bed box and mattress.

We always aim for the best and grow our professional team every day to respond to your interest and confidence
